

INFOGRAPHIC ON STEWARDS REPORT

MARCH 2022

ABOUT

This summarizes the activities and meetings in which the stewards were involved in during March.

TNH Public Health Mentees took pictures of visitors and personnel during the TA Connect Launch.

- Coordination of invitees' registration exercise at the program venue.
- Documentation of the launch program.
- Documentation of the roundtable discussion.

REPORT REVIEWING

- One of the stewards was tasked to review one of the implementation research questions 4 (IRQ4)
- The stewards conducted a thorough review of implementation research question six (IRQ6).
- One of the stewards supported the team to conduct literature review for comparative cost analysis for GANC.
- The stewards worked with the technical team for the deck review, comments consolidation and also addressing the comments.
- The stewards worked on the response feedback mechanism two (RFM2)
- Preparation of data management SOP draft

MEETINGS & PROGRAMS

The stewards took down minutes of the meeting, took down the salient points of the discussion. Extracted the action points with deadline and designated personnel to carry it out.

IMMERSION TOOLS

- The stewards learnt how to mine data sources in Nigeria's Public Health space.
- They became aware of the government and non government stakeholders in Nigeria's public health
- They learnt how to use the media as a tool for public health advocacy
- They learnt how to actual in a virtual meeting both before and during the meeting.

CHALLENGES

One of the mentees expressed dissatisfaction about the lack of work delegation.
